

SX70 Centre Speaker

March 2015

- Highly optimised woofer magnet systems to deliver bass and high efficiency
- Treated paper cone to provide a smooth and even frequency response
- Silk dome tweeter to combine smooth sound with high levels of detail and efficiency
- Precisely optimized crossovers for the most neutral, smooth and phase linear response

- Dedicated foam damper behind tweeter diaphragm reduces reflections and deepens stage depth
- Rigid MDF cabinet modelled using CAD so that the speaker dimensions minimise standing waves
- Available in Black and Walnut finishes
